Owner Information

No one knows and loves your pet the way you do. In order to help us find the most appropriate home for your pet, please provide us with as much information as possible about his/her history, past veterinary care, likes, dislikes, quirks and behavior. Behavior and medical issues do not necessarily create problems, but failing to disclose them certainly does. This information may be shared with potential and actual adopters of your pet. Please sign and date the form at the bottom of this page. Thank you.

By signing this agreement, I hereby affirm that I have answered each of these questions to the best of my knowledge and as truthfully as possible. I further certify that I am the guardian, or have the authority to surrender the small animal referenced in the following information. I hereby relinquish all rights of ownership, including any right to information regarding final disposition, of the pet described herein in favor of the Greenhill Humane Society, and agree that the animal described herein may be disposed at the sole discretion of the Greenhill Humane Society.
